Keepin' up appearances  
Keepin' up with the Jones'  
Fooling my selfish heart  
Going through the 'motions

But I'm fooling myself  
I'm fooling myself

'Cause you say, you love me  
And then you do it again, you do it again  
And you say your sorrys  
And then you do it again, you do it again

Everybody thinks you're well  
Everybody thinks I'm ill  
Watching me fall apart  
Falling under your spell

But you're fooling yourself  
You're fooling yourself

'Cause you say, you love me  
And then you do it again, you do it again  
And you say your sorrys  
And then you do it again, you do it again  
And again and again and again and again

But you're fooling yourself  
You're fooling yourself

'Cause you say, you love me  
And then you do it again, you do it again  
And you say your sorrys  
And then you do it again, you do it again

You say you love me  
And then you do it again, you do it again  
And you say your sorrys  
And then you do it again, you do it again  
And again and again and again and again
