Hearing in the night like an angel while I'm sleeping
I feel your arms around me, but sadly I'm just
dreaming
I stare into the darkness and hope to find you waiting
But I know that its useless, I'm just halusinating
And I swear your love is addicting
I'd give him my world for you I come running
And I swear that I have it all
Then tell me why can't I stop thinking of you
Its your voice that I hear
Its your time that I fear
And your love comes to me
Everytime I think of you and my dreams
Are so real and I know that you will see how I feel
Everytime I think of you
Of you
Of you
Of you
I swear your love is addicting
I'd give him my world for you I come running
And I swear that I have it all
Then tell me why can't I stop thinking of you
Its your voice that I hear
Its your time that I fear
And your love comes to me
Everytime I think of you and my dreams
Are so real and I know that you will see how I feel
Everytime I think of you
Then tell me why can't I stop thinking of you
Its your voice that I hear
Its your time that I fear
And your love comes to me
Everytime I think of you and my dreams
Are so real and I know that you will see how I feel
Everytime I think of you
Of you
Of you
Everytime I think of you
yeahhhh
ooohhh ooohhhh
Everytime I think of you
