I swore i'd never get involved  
Said i'd never ever fall in love  
'cause it hurt me once before  
Would it hurt me ne more  
Since then time has changed it's different now..  
Hypnotized by you and wondered how  
I fell into your arms, and i was captured by your charm

Chorus:

And here i go...fallin in love again  
(falling in love again..fallin in love again)  
Here i go..falling in love again  
(falling in love again..falling in love again)

Lost and scared as i can be  
Cant help thinking of the mystery  
That i shared in my first love,  
Like a pair of mismatched gloves  
And now you've found your way into my world  
Touched the woman deep inside the girl  
Can you tell me if it's real?  
I've forgotten how to feel

Chours

Here i go falling in love again  
The damage is already done  
How can i ever turn my back on loving you  
Here i go giving my all again  
I'm ready to show what i feel  
If you will, take this loving to your heart...

And now you've found your way into my world  
Touched the woman deep inside the girl  
Can you tell me if it's real?  
I've forgotten how to feel

Here i go falling in love again  
The damage is already done  
How can i ever turn my back on loving you  
Here i go giving my all again

I'm ready to show what i feel  
If you will, take this loving to your heart...

Here i go....i'm giving my heart again  
(fallin in love again)  
Seems like a battle i just can't win  
(here i go..)  
Oh i'm in love and i can't win..(fallin in love again)  
I'll be ready through thick and thin  
(here i go..)  
I'm falling in love again, i'm falling in love again  
(falling in love again) i'm falling in love again  
(here i go...) here i go, here i go, catch me i'm falling  
(falling in love again)  
I'm lost without your love  
Here i go..
