From a distance, I hear them call.  
For you and for me,  
For everything they see.  
On a mission, losing their minds.  
For love and for hate,  
For freedom they can't take.  
Your decision, you'd go along.  
And give up your life to fight  
For what went wrong.

And you know that I know  
That you won't come back again.  
And you know that I'd go  
But I'd lose myself in it.  
I'll wait into the summer and into the winter,  
I'll wait for you, I will.  
I'll hold onto you tightly and pray for you nightly.  
I'll wait for you.

In the twilight, hours pass slow.  
The minutes roll by,  
As summer turns to snow.  
I decided, I'm not that strong.  
I couldn't go out and fight  
What I know is wrong.

And you know that I know  
That you won't come back again.  
And you know that I'd go  
But I'd lose my faith in it.  
I'll wait into the summer and into the winter,  
I'll wait for you, I will.  
I'll hold onto you tightly and pray for you nightly.  
I'll wait for you.

I'll wait into the summer and into the winter,  
I'll wait for you, I will.  
I'll hold onto you tightly and pray for you nightly.  
I'll wait for you, I will  
I'll wait into the summer and into the winter,  
I'll wait for you.

From a distance, I hear them call.  
For you and for me,  
For everything they see.  
On a mission, losing their minds.  
For love and for hate,  
For freedom...
