I'm staring into the rising sun  
Upset with the things that I have done  
If I lose track of the friends that I have  
All this does is make me sad

You're losing the guy you were, you're changing  
It's not for the best at all, you're changing

Years have brought me close  
To lose this would be the greatest loss  
I used to have the biggest shoulders  
Why should this change as I get older?

You're losing the guy you were, you're changing  
It's not for the best at all, you're changing

Yeah, no? Whoa.

You're changing, you're changing, you're changing,  
you're changing (you're changing)  
You're changing, you're changing, you're changing,  
you're changing (you're changing)  
You're changing, you're changing, you're changing,  
you're changing (you're changing)  
You're changing, you're changing, you're changing,  
you're changing (you're changing)
