You've let so many people down
Even after the faith they put in you
Love isn't an emotion it's an ability
But it's obviously one you don't have
You may not have the vision
As too with your lies and your sneaky play

I have missed what I never knew
I'm suffering in silence
Minutes are passing
Bad memories arising
Second Chances occurred one too many times
I see through your transparent eyes
I see through your Black Heart
Your Soul is Empty

It's such a shame
That you've broken so many hearts
Without them realising
Your also very fragile
I've been lost in a place
Sublimity is simple
All You gotta do is play your cards right
Your only Fooling yourself

I have missed what I never knew
I'm suffering in silence
Minutes are passing
Bad memories arising
Second Chances occurred one too many times
I see through your transparent eyes
I see through your Black Heart
Your Soul is Empty

Please let me go, please let me go
I've let you go, I've let you go

I have missed what I never knew
I'm suffering in silence
Minutes are passing
Bad memories arising
Second Chances occurred one too many times

I see through your transparent eyes
I see through your Black Heart
Your Soul is Empty
