[Intro - child]

Yo Lo, everytime I turn on the radio, the video  
It's a booty, it's a necklace, it's, it's...

[Chorus]

OneManArmy is who he is  
WaterWorld is the name of the place he live  
This hero came to set hip-hop free  
From shady biz and all the wack MC's

[Verse 1]

Once upon a time lived a man named Lo  
Everywhere he go he make the crowd say "Hooooohh"  
Grown man flow for the boys and girls  
Now let me tell you kids 'bout a place called  
WaterWorld  
Shaped like a mitten, I rock the mic hittin  
my block, recite copywritten rhymes I be spittin  
Nobody knows the true identity  
It's a Clark Kent thing, One Super-Man Army  
Straight out the sound booth, Timberland boots  
My necklace alone compares any wack crew  
So now that you know who the good guy is  
Every story got a villain, this one is shady biz  
Kingpin, all about the dividends  
Payin these wack MC's to talk to hip-hop citizens  
With some powerful force they call rap  
But the OneManArmy here to stop all that  
Chop all that, maybe on the MPC  
Literary, military on the M-I-C  
OneMan, up against a whole +Army+  
Fulla A&R" . "s, wack MC's and R&B  
Industries, y'all nothin but snakes to me  
Hip-hop, WaterWorld is the place to be  
No place for shady biz and fake MC's  
We 'bout to set y'all free, just wait and see

{\*Sample\*}

[Chorus - 2x]

[Verse 2]

Aight, you know the characters plus you know the plot  
Only it's a few people who can save hip-hop  
Lo came fly with Timbs, pass the pens  
Up, up and away, here we go again  
Some think the +Mission+ is +Impossible+  
The truth is shady biz got a whole lotta dough  
But OneManArmy got a verbal attack  
And you never see me sign kryptonite contracts  
OneManArmy is who he is  
WaterWorld is the name of the place he live

[Chorus - whispered]

[Outro]

Shady biz you better watch your back  
Wack MC's you better watch your back -- watch out!
