I'm running through time like nobody else, I cannot  
control my own dysfunctional race  
Living in silences is not for my personality, beating  
death is a part of my identity  
Climbing the mountains reach for the stars, face the  
fears inside of my heart.  
No panic just let go, trying to find out which way to  
go...  
Between 4 walls, agony and pain, I don't know why, or  
how this will it end.

Get on board  
Never look back  
Hold on  
No turning back  
Feel the rush inside if the stakes ain't to high  
On the train...of destruction...  
The train of destruction.

Moving fast escaping sentimental hate...  
The blood on my hands I could not care less.  
Crawling in darkness one wagon then the next.  
The stakes might be high but still my spirit will be  
alive.

Get on board  
Never look back!  
Hold on  
No turning back  
Feel the rush inside if the stakes aint to high  
On the train...of destruction...  
The train of destruction.

Between 4 walls, agony and pain,  
I don't know why, or how this will it end.

Get on board  
Never look back  
Hold on  
No turning back  
Feel the rush inside if the stakes ain't to high

On the train...of destruction...  
The train of destruction.
