Back and forth, slamming doors,
Tears like rain on my front porch,
Theres always a moment, a second you know,
That it's over, it's done,
She's not the one,
It's not her but it is,
Your ready to live,
She's not holding you back but loving her is,
And leaving is like living without all the hope,
Like jumping and looking in the punch unknown,
But thats how we grow, get the wings, get to fly,
Get to find who we are, get to find whats inside,
Your god says goodbye, you'll be trying to find,
Dont ask why,
Dont apologize,
I'm holding on your rope
Got me ten feet off the ground
And I'm hearing what you say
But I just can't make a sound
You tell me that you need me
Then you go and cut me down

But wait...

You tell me that you're sorry

Didn't think I'd turn around and say..

That it's too late to apologize, it's too late

I said it's too late to apologize, it's too late

I'd take another chance, take a fall, take a shot for you

And I need you like a heart needs a beat

(But that's nothing new)

Yeah yeah

I loved you with a fire red, now it's turning blue

And you say

Sorry like the angel heaven let me think was you

But I'm afraid

It's too late to apologize, it's too late

I said it's too late to apologize, it's too late

Woahooo woah

It's too late to apologize, it's too late

I said it's too late to apologize, it's too late

I said it's too late to apologize, yeah yeah

I said it's too late to apologize, a yeah

I'm holding on your rope

Got me ten feet off the ground...
