[Verse 1]

Hello world
Hope you're listening
Forgive me if Iâ€™m young
For speaking out of turn
Thereâ€™s someone Iâ€™ve been missing
I think that they could be
The better half of me
Theyâ€™re in their own place trying to make it right
But Iâ€™m tired of justifying
So i say youâ€™ll..

[Chorus]

Come home
Come home
Cause Iâ€™ve been waiting for you
For so long
For so long
And right now there's a war between the vanities
But all i see is you and me
The fight for you is all Iâ€™ve ever known
So come home
Oooh

[Verse 2]

I get lost in the beauty
Of everything i see
The world ainâ€™t as half as bad
As they paint it to be
If all the sons
If all the daughters
Stopped to take it in
Well hopefully the hate subsides and the love can
begin
It might start now..Yeahh

Well maybe Iâ€™m just dreaming out loud
Until then

[Chorus]

Come home
Come home

Cause Iâ€™ve been waiting for you
For so long
For so long
And right now there's a war between the vanities
But all i see is you and me
The fight for you is all Iâ€™ve ever known
Ever known
So come home
Oooh

[Interlude]

Everything i canâ€™t be
Is everything you should be
And thatâ€™s why i need you here
Everything i canâ€™t be
Is everything you should be
And thatâ€™s why i need you here
So hear this now

[Chorus]

Come home
Come home
Cause Iâ€™ve been waiting for you
For so long
For so long
And right now there's a war between the vanities
But all i see is you and me
The fight for you is all Iâ€™ve ever known
Ever known
So come home
Come home
