It's been a long time coming since I've seen your face
I've been everywhere and back trying to replace everything that I've had till my
feet went numb

Praying like a fool that's been on the run
Heart still beating but it's not working
It's like a million dollar phone that you just can't ring
I reach out trying to love but I feel nothing
Yeah, my heart is numb

But with you
I feel again
Yeah with you
I can feel again

Yeah

I'm feeling better since you know me
I was a lonely soul but that's the old me

It's been a long time coming since I've seen your face
And I've never went back trying to replace everything that I broke till my feet
went numb

Praying like a fool that just shot a gun
Heart still beating but it's not working
It's like a hundred thousand voices that just can't sing
I reach out trying to love but I feel nothing
Oh my heart is numb

But with you
I feel again
And with you
I can feel again

But with you
(I'm feeling better since you know me)
I feel again
(I was a lonely soul but that's the old me)
Yeah with you
(I'm feeling better since you know me)
I can feel again
(I was a lonely soul)

(I'm feeling better since you know me)
(I was a lonely soul, but that's the old me)
(I'm feeling better since you know me)

(I was a lonely soul, but that's the old me)
(I'm feeling better since you know me)
(I was a lonely soul, but that's the old me)

I'm feeling better since you know me
I was a lonely soul but that's the old me
A little wiser now but you show me
Yeah, I feel again
Feel again...
