Do you know where your heart is?  
Do you think you can find it?  
Or did you trade it for something  
Somewhere better just to have it?

Do you know where your love is?  
Do you think that you lost it?  
You felt it so strong, but  
Nothing's turned out how you wanted

Well, bless my soul  
You're a lonely soul  
Cause you won't let go  
Of anything you hold

Well, all I need  
Is the air I breathe  
And a place to rest  
My head

Do you know what your fate is?  
And are you trying to shake it?  
You're doing your best and your best look  
You're praying that you make it

Well, bless my soul  
You're a lonely soul  
'Cause you won't let go  
Of anything you hold

Well, all I need  
Is the air I breathe  
And a place to rest  
My head

I said all I need  
Is the air I breathe  
And a place to rest  
My head

Do you think you can find it?  
Do you think you can find it?

Do you think you can find it?  
Better than you had it

Do you think you can find it?  
Do you think you can find it?  
Do you think you can find it?  
Yeah, better than you had it  
Better than you had it

I said I all I need  
Is the air I breathe  
And a place to rest  
My head

I said all I need  
Is the air I breathe  
And a place to rest  
My head

Whenever the end is  
Do you think you can see it?  
Well, until you get there  
Go on, go ahead and scream it  
Just say it
