Let me tell you a story  
About a banana, friend of mine  
He's big yellow, black and brown  
And always acts very kind

Here he is on the toilette,  
Here he is eating a meal,  
The problem with mr banana  
Is he never learned how to feel

Banana wonders what love is  
He stands outside alone  
Banana wishes he had a heart  
But he doesn't even have a bone

While true banana can't cry  
Nor can banana wear pants  
One thing banana can always do  
Is the great banana dance

Banana dance  
Banana dance  
Banana dance  
He can do the  
Banana dance

Banana  
Dance  
Banana  
Dance  
Dance

No blood  
Ice cold  
But banana can dance  
Because banana has a soul

Banana has a soul  
Banana has a soul  
Banana has a soul  
Banana has a soul

I'm a banana  
I'm a banana  
I'm a banana  
Look at me move

I'm a banana  
I'm a banana  
I'm a banana  
Look at me move

Uh oh, banana time  
Uh oh, banana time  
Uh oh, banana time  
Stop!

Uh oh, banana time  
Uh oh, banana time  
Uh oh, banana time  
Look at me move

Banana wonders what love is  
He stands outside alone  
Banana wishes he had a heart  
But he doesn't even have a bone

While true banana can't cry  
Nor can banana wear pants  
One thing banana can always do  
The great banana dance
