Tabiji wo yuku wa hitokata no  
Osore wo shiranu gou no mono  
Shichi-bu sugitaru sono setsuna  
Miru me kanawanu kyodai na kabe ga

Ue wo shita e to torimidashi  
Tohouni kurete tachitsukusu  
Asu no yoi ni wa yama koete  
Mura kimi no moto tsukanebanaranu

Aa tsunagi tometa asu ga  
Oto mo naku toozakari  
Kurikaesu ikyou no sasayaki

Omoi wa tsuieta to naku yori  
Kono mi ga kuchiru kiwamade tayumi nagare

Imaimashiku mo tobotobo to  
Tsuwamono domo ga yume no ato  
Akiramu koto mo kuchioshiku  
Mochitaru tsuete susono wo haraou

Shinji katakiya otoroshiya  
Itsushika kabe wa kie iramu  
Happou no te wo tsukusane ba  
Kotae wa dasenu kono yo wa wo kashi

Aa togamitomete hazu ga  
Koe mo naku tachisukumi  
Mushikaesu ekou mo tsubuyaki

Omoi wa tsuieta to naku yori  
Kono mi ga kuchiru kiwamade tayumi naku  
Omoi wa tsuieta to naku yori  
Kono mi ga kuchiru kiwamade tayumi nagare
