Mayonaka kimi to futari sunahama nami no shirabe
Miageta sora ni wa hora hoshi no shanderia sa

I love you tonight toki ga tomareba ii ne
Nagare boshi kirameku omoi o tsutaetai sugu ni

Itsumademo futari kono mama tsuyoku dakishimete fly
away
Kagayaiteru kimi no hitomi boku no subete utsushite yo
My song for you. just, only you
Kimi dake o aishite iru no sa

Kisetsu hazure no umi wa omoide dake nokoshite
Yori sou futari wa hora yureru diyamondo

I love you tonight kimi dake ireba ii yo
Ima kokoro kirameku negai o kanaetai sugu ni

Itsumademo kimi wa boku no angel onaji yume oikake

Kagayaiteru boku no hitomi kimi no subete utsusu kara
My song for you. just, only you
Kimi dake o mitsumete iru no sa

Itsumademo futari kono mama tsuyoku dakishimete fly

Kagayaiteru kimi no hitomi boku no subete utsushite yo
My song for you. just, only you
Kimi dake o aishite iru no sa
