Haunted in mind bear the blackest of hates the  
darkness has started to rise  
Evil as one in the circle within let the orgy of death now  
begin  
Invertedly tied hangs the Jesu so pure demonic love  
from you all  
Rape of the whore in bestial lust a sacrifice to our lord  
Chorus:  
Do what thou wilt sacred law church of hell  
Death is the realm swear the oath thou shalt kill  
Summon the force incantations of death the virgin is  
laid on the shrine  
Priest of the night wield the scepter of fate rise up the  
sword to the sky

Evil in mind is the creature possessed an angel of  
death sent to kill  
Strike of the blade that releases the soul the  
demonic's work has begun  
Chorus  
Preacher of sin castigating the priest a penance you  
pay to our lord  
Yield to the force as the darkness prevails demons  
within heed the call  
Revel in death fill the chalice with blood drink now the  
death of the whore  
Offer your souls in promiscuous love do what thou wilt  
is our law  
Chorus
