Bearing the mark of a demon from hell the dragon is  
cast onto the earth

Seeking revenge on the woman of man Satanus  
unleashes his wrath

Angels of death are the allies of hate the jackals  
destroying the cross

Chorus:

Fighting with fire the dragon attacks

Burning the cross and unleashing the powers of hell

Cursed are the mortals who dare to fight with the beast

Demons of hell bear the mark of the beast the sons of  
the dragon are born

Summoned to earth armageddon is here to slaughter  
the christian hordes

Destroying the temples Jehova has lost the nazarene  
will fester in hell

Chorus

A wrathful attack upon the christian faith the legions of  
Satan make war

Replacing the cross with the mark of the beast the  
kingdoms of Jesu have fell

Demons of hell armageddon is here preventing the  
coming of christ

relinquish your god now that satan is king the nazarene  
will never arise

Bearing the mark of a demon from hell the dragon is  
cast onto earth

Seeking revenge on the woman of man Satanus  
unleashes his wrath

Angels of death are the allies of hate the jackals  
destroying the cross

Chorus
