Paint the streets in white!  
Death is the standard  
Breach for a complex prize!

I think it's sweet of you  
And your parents are proud...  
But I would expect it from anyone  
Now to protect life's indigenous sound!

Worship! Play, Play x 3  
Worship! Play! Worship! Play  
Worship! Worship!  
Worship! Play, Play x 3  
Worship! Play! Worship! Worship!

How the streets they swell!  
While the animals make their way through the crowds!

If you keep listening you can hear it for miles...  
God, I trust everyone quicker with every faint smile!

Worship! Play, Play x 4  
Worship! Worship!  
Worship! Play, Play  
Worship! Worship!  
Worship! Play, Play x 4  
Worship! Worship!  
Worship! Play, Play  
Worship! Worship! Worship!

And the crowd goes wild!  
And the camera makes you seasick!  
God it's so sweet of you and I know you're proud  
And the car bomb hits quick click, faint smile!  
It's the same sound... it's the same, same... sound....  
And the crowd goes wild!  
And the camera makes you seasick!  
God it's so sweet of you and you know I'm proud  
And the car bomb tick ticks with the same sound!  
It's the same sound! With the same sound...  
Hexagram...
