[Big DS]

1-to-the-9-to-the-9-to-the-3, solid as a rock!

So back up off the block, blow up the spot

So left-right-left-right

Take it to the center, and enter

And you know what this is (what?) Face down on the

Chorus 2X

[Sticky Fingaz]  
Don't be afraid, you'll only lose your life that way  
I'm an endangered species, surprised to live to see  
today  
but if you're readin between the enemy line you'll find  
I'm insane  
Too much strain on the brain, capable to pop a vein  
So I'ma do-it do-it do-it do-it do it like this  
The Onyx is here, so back up or get dissed  
And if you put me to the test, I'll lay you to rest  
Bring it right to his chest, put it straight through his  
vest

Chorus 2.5X

Back, UP!!! Onyx is here..
