Hello!!

As you take a step back out of fear

It's just a primal reaction

Wait!!

Through the eyes of suspicious is clear

Why is it you don't trust me?

Gaze on a smile

That is sweet and so haunting

Fixed on a feeling

So wrong and attracting

Temptation rising, paralyzing,

I won't do you harm

Gray is the hand!!

Of an elderly figure,

Shaking and frail

A façade of soul darkness

Weak is the eye!!

To the passion of evil

Here we both stand

We are two perfect strangers

Into my mind!!

Is the realm you shall ever discover

My truth or my unholy purpose

Please take my hand!!

Take a chance for the first time

Have no fear to the kindness of strangers

Good-bye!!

I see that you are preparing to leave

Is it with or without me?

Go!! - to walk alone can be paradise

That in time you will fall from

Witness a tear

That can make you so happy

A safe distance

That could leave you so empty

Logistics rising, sterilizing

It will do you harm

Strong is the hand!!
Of a young fighting soldier
Clear minded strong
A detractor of frailness
Strong is the eye!!
To the passion of evil
Nothing will change
We are still perfect strangers
Out of my mind!!
Is the place you will take me
To find all the lies
And discover true sadness
Let go of my hand!!
Isolation now beckons
Fear I'll have
To the kindness of strangers

Together we shall be
Side by side we'll always walk alone
