Kono koi ni tojikomeraretakunai no
Ima wa watashi. "Good-luck you"

I don't want to be locked away in my love;
It's just me now. "Good luck, you"

Donna hito ga
Kirai na type to anata ga kiku kara.
Feminist yo
Kotaete anata o jitto miteta.

What kind of person
Do you listen to to end up with a hated type?
I'm a feminist,
So as I look intently at you, tell me.

Ne, sugu koko ni
Kaeru yo nante iwanaide ne.

Hey, as long as you're here,
Don't say that you're coming back, ok?

Shiroi umi ni koetara moo furimukanai
Ai ga ii no.
"Just a fitness love"
Setsunasa-kurai kono mune odoru melody.
"I can dance"

Is it alright for love never to look back
When it crosses the white ocean?
"Just a fitness love"
Something like pain dances to the melody in my heart.
"I can dance"

Kaeroo ka to
Anata ga iu toki watashi itsumo inai
Sonna fuu ni
Sayonara mosezu ni futari iru no.

I was leaving,
But when you tell me that I'm never around,
If you're in such a condition

As this, how will we be able to bid farewell?

Ne, yorisotta
Nukumori no mama irareru desho. "Uh"

Hey, will you be here
When I need someone to be close to for warmth?

Kono koi ni tojikomeretakunai no
Ima wa watashi.
"Just a fitness love"
Samishisa-kurai kono mune odoru melody.

I don't want to be locked away in my love;
It's just me now.
"Just a fitness love"
Something like loneliness dances to the melody in my heart.

Tooi kara anata ga ima inai kara
Amaku nokoru.
"Just a fitness love"
Setsunasa-kurai kono mune odoru melody.
"I can dance"

Because I'm far away and because you're not here
now,
I can remain sweet.
"Just a fitness love"
Something like pain dances to the melody in my heart.
"I can dance"
