Surechigau ai bakari ne shirazu ni itsuka okubyoo na  
"blue heart".

"Oh gimme sweet dreams"

Someday, your timid blue heart will know something  
other than fleeting love.

"Oh, gimme sweet dreams"

Manatsu no "highway" futari doko made mo  
Tobashi-tsuzuketai. "I wanna sweet breeze"  
Shisen o kanjita anata no yokogao  
Sukoshi kidotteru. "Woo... baby"  
"So won't you gimme some sweet dreams now"

Wherever we are on the midsummer highway,  
I want to keep speeding along. "I wanna sweet breeze"  
As you felt my gaze upon your profile,  
You sucked up to me a bit. "Woo... baby"  
"So won't you gimme some sweet dreams now"

Tomodachi no mama no drive ja chotto ne  
Furareta hanashi kurikaesu  
Anata nante shinjirarenai.  
Mune no naka no kisetsu mo ima wa ikizuku natsu yo  
Kanojo ni deau mae no anata  
Suteki datta kagayaite.  
"Oh gimme sweet dreams"

Driving along with our friends,  
I can't believe your stories of  
Having been spurned over and over one bit.  
Even the seasons within my heart breathe summer  
now,  
And before you meet with a girl,  
It'd be wonderful if you shone.  
"Oh, gimme sweet dreams"

Umi soi "highway" shiokaze no nioi  
Setsunaku shimiru yo. "I wanna sweet breeze"  
Kanojo no namae wa kuchi ni shinaide ne  
Nikunde shimau kara. "Woo..."  
"So won't you gimme some sweet dreams now"

On the highway that follows the ocean, it's painful for  
the scent  
Of the sea breeze to penetrate. "I wanna sweet breeze"  
Don't dare say a girl's name,  
Because she'll then despise you. "Woo..."  
"So won't you gimme some sweet dreams now"

Haruka na yume mo samishisa sae mo  
Wakeaeta nara nakeru deshoo  
Koibito to ieru kara.  
"Oh gimme sweet dreams"

My distant dreams, and even my loneliness too...  
If we were to part, I would break down and cry,  
Because, sweetheart, I'm saying,  
"Oh, gimme sweet dreams"

Kono mama mirai e tondeyukitai no  
Futari kaze ni nari. "I wanna true love"  
Nagareru jikan ni makenaide zutto  
Suki da to iikireru hokorashige ni.  
"So won't you gimme some sweet dreams now"

I want to fly to the future just as we are,  
And become the wind. "I wanna true love"  
As time flows by, never let yourself be beaten,  
And take pride in asserting you like someone.  
"So won't you gimme some sweet dreams now"
