Why don't you make up your mind
Stop wasting all my time
Why don't you make up your mind
Stop wasting all my time

Tell me what am I to do
I can tell that's something's
Wrong when I look at you
You never follow through with
Words you start to say to me
Your actions are so strange
I wonder what can the problem be

You keep on
(Playing with my feelings)
Yeah, that's what
You keep doing, baby
(Playing with my heart)
Ooh, ooh, yeah

You keep confusing me so
That I don't know
Which way to go, whoa

I've got this feeling
That you wanna go
Tell me, baby, is it so
All I want from you
Is a little honesty
You always say one thing
Then you do another

So tell me what's on your mind
Don't you keep me
Waiting all the time
Tell me what's on your mind
Don't you keep me
Waiting all the time

Why don't you make up your mind
Stop wasting all my time

Why don't you make up your mind
Stop wasting all my time

Baby, things have got to change
I can't keep going on this way
You're driving me insane
You must decide and
Make it clear to me
Cause I can't take this waiting
I wanna know for sure, you see

You keep on
(Playing with my feelings)
Yeah, that's what
You keep doing, baby
(Playing with my heart)
Ooh, ooh, yeah

You keep confusing me so
That I don't know
Which way to go

Sometimes I feel like
I've done something wrong
All I wanna do is satisfy you
Why, baby, why you
Keep mistreating me
When I'm the only one
Who really loves you

Why don't you make up your mind
Stop wasting all my time
Why don't you make up your mind
Stop wasting all my time...
