(VB Unitt)

Oh! What a super morning. Oh! What a knockout day.

A-won't you look at that sunrise.

Can you hear what they are saying.

Slow down!

The more I see, yeah, the more I'll come to need.

Rule out!

The one way clause that says I'l succumb to greed.

Nobody kill me like you do, Daddy.

I hope ain't wasting my life.

Call the phone in your car, Daddy.

I'll come and mess around with your mind.

Slow down!

The more I see, yeah, the more I'll come to need.

Ruled out!

The one way clause that says I'll succumb to greed.

The show's gotta get off the ground, Daddy.

We wanna hear you saying it too.

You really got a splash it around now, Daddy.

Be sure and get a real good view.

Slow down!

The more I see, yeah, the more I'll come to need.

Ruled out!

The one way clause that says I'll succumb to greed.

Oh! What a super morning. Oh! What a knockout day.

A-won't you look at that sunrise.

Can you hear what they are saying.

Slow down!

The more I see, yeah, the more I'll come to need.

Ruled out!

The one way clause that says I'll succumb to greed.
