After 7
"Do Me Right"

I was in love with you

And gave my heart to you

I did my best to keep you satified

You took the love from me

And used it selfishly

You did not give back your

Love to me at all

I gave the Sun to you

You said it was too bright

I gave you diamond rings

You said they didn't shine

I gave my world to you

But you said it's not enough

What in the world could I have done

To make you be so rough

(Chorus)

'Til you do me right

I don't even want to talk to you

I don't even want to hear you

Speak my name

'Til you do me right

Only wrong is gonna come to you

Nothing good is gonna come 'til

You change your ways

Until you change your evil ways

Girl I was there for you

Someone you could talk to

How could you just

Keep breaking my heart

What did I do to you

To make you be so cruel

I don't understand

Why you've been so wrong

I tried to be your strength

You said I was too strong

I tried to compromise

So we could get along

I gave my love to you

Despite your evil ways

I guess its clear to me

There's only one thing left to say

(Chorus)

'Til you do me right

I don't even want to talk to you

I don't even want to hear you

Speak my name

'Til you do me right

Only wrong is gonna come to you

Nothing good is gonna come 'til

You change your ways

Until you change your evil ways

There's a time when you know

What you feel inside your heart

(It's telling you that something)

Something feel strange

Ooh you don't have to deny it

All you gotta do is just try it

You'll find your love grows

Stronger if you're willing to

Change

(Chorus)

'Til you do me right

I don't even want to talk to you

I don't even want to hear you

Speak my name

'Til you do me right

Only wrong is gonna come to you

Nothing good is gonna come 'til

You change your ways

Until you change your evil ways
