You're the kind of woman
That every guy wishes that he could meet
Yeah, baby
You're a cut above the rest, girl
And it's a fact you are a beauty queen
Yeah, baby

The way you love me makes my life worth living
You got a special way that touches my heart
You know you're the only woman that's ever given
Giving me so much you are my shining star

You are my only woman
You are my only girl
You are my only woman
Gonna keep on
G-g-giving good love to you

My only woman
You're my only girl
My only woman, yeah

I will be your lover
Everyday for life if ya want me to
'Cause girl there is no other
That can do the things that I want you to do
Yeah, baby

Sometimes I wonder could it be that I'm dreaming
I never thought my dreams would ever come true
Now that I got you, girl, you got me believing
That happiness is mine, long as I'm loving you, you
know

You are my only woman
You are my only girl
You are my only woman
Gonna keep on
G-g-giving good love to you

You are my only woman
You are my only girl

And I can't stop thinking about the way I feel
'Cause there's no doubt about it, baby, my love is real
You are the one

Only one
My only one
You're the one
Girl, you're number one

Only one
My only one
My only woman
Number one girl
Oh, babe rock my world

You are my only woman
You are my only girl
You are my only woman
Gonna keep on
G-g-giving good love to you

Oh, the finest woman I've ever seen
On a movie star and beauty queen
No, I can't stop thinking about the way I feel
There's no doubt about it, lady, my love is real
You are the one

You are my only woman
You are my only girl
You are my only woman
You are my only girl
