[verse 1]

I could feel that it was over
your love for me
why couldn't you tell me you had
another on your mind?
its no way to treat me when you know
how i feel inside

I could not hide the way i felt last nite.
tears i cried
my love for you i can't deny no no no no

{chorus}

Nights like this i wish
rain drops would fall(yes i do hey baby ooo)
Nights like this i wish that
rain drops would fall

[verse 2]

Girl now i know what been goin on
you got another lover and you got it goin strong
been walkin round town w/ a smile on my face

now i realize
i was too blind baby
bein a fool in love you
know it ain't right girl
if you really wanna be
