I'll give you the sun, the rain, the moon, the stars and
the mountains

I'll give you the world and all that you wish for
And even more girl, I love you more than you could
know

And that's for sure

I'd climb the highest hill, cross the widest sea

Nothin' could discourage me

And I pray that you'll be always there for me

Forevermore

Ready or not

I'll give you everything and more

All that I've got, it's yours

I'll give you everything

All that you're looking for

I'll give you my heart, my soul, my time my love is a
fountain

I will be your earth and all that you need for and even
more

'Cause girl I love you more than words can show

My love is pure

I'll, I'll walk a thousand miles sail a thousand seas

Nothin' will discourage me

And I pray that you will be always there for me

Forevermore

Ready or not

I'll give you everything and more

All that I've got

I'll give you everything

All that you're looking for

Everything is not anything

If you're not here to share my dreams

You don't know what it means to me

If you'll accept my love

I dedicate my love, my soul

My heart beats for you
Girl I can't get enough so I'll wait for your love
There's nothin' that I'd rather do

Ready or not
I'll give you everything and more
All that I've got
I'll give you everything, all that you're looking for

Ready or not
I'll give you everything and more
All that I've got
I'll give you everything
All that you're looking for

Ready or not
I'll give you everything and more
