"sarah baby" mmm, baby have with a with the women's  
eyes I can  
feel you wachin in the night on the road with me I'm  
waiting for the  
sunlight oh oh baby when I feel cold you fall on me and  
when I feel  
that I can't go on you come and hold me and its you  
and me forever  
oh oh sarah

chorus:[smile] smile yeah sarah smile why don't you  
smile sarah smile  
a smile a while why don't you while for me sarah baby  
yea yea

If you fill like levain you know you can go but why don't  
you stay untill  
tomorrow if you want to be free you know all you have  
to do is say  
so ooo.. if you feel cold I will warm you baby if you feel  
you can't  
go I will hold to you its you and me forever sarah smile  
oh girl  
smile for me if you feel you can't go on yeah when you  
do every  
thing will be all right oh smile a while for every things  
allright

chorus: sarah smile come on girl keep smile keep smile  
sarah  
yeah sarah smile baby just keep smile sarah wont you  
smile

sarah just smile a while for me oh girl just smile  
[say it untill it fades]
