Save it up, save it up
Save it up for me baby
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, baby love
Don't hold back your lovin'
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Hey girl, I got it for ya
In a real bad way
So baby you can push me 'round
Push me down your way

I don't care, anywhere's good down there
Baby in the back of your mind
You want to feel me slidin' up your leg
Oh yeah

Take your time
Let's make sure the feelin's right
I wanna know what's up
Should we stop or should we

Save it up, save it up
Save it up for me baby
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, baby love
Don't hold back your lovin'
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Sweet thing
Candy got ya' meltin' in your flame
'Cause baby you're safe and warm

Givin' into the game

Oh, way down there
Deep in your ocean way
Send me down there girl, I'll find your pearl
At the end of the day

Ease your mind
Let's make sure the mood's alright
I wanna fill your cup
So what's up or should we

Save it up, save it up
Save it up for me baby
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, baby love
Don't hold back your lovin'
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it girl
Save it girl

Baby, what's your name?
Come and let me see your love baby
I just wanna know your name

Baby, what's your name?
Come and show me your love
I just wanna give you game girl
I just want you baby, yeah

Save it up, save it up
Save it up for me baby
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, baby love
Don't hold back your lovin'
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, save it up
Save it up for me baby
Shooby doobie you my baby

'Cause you know you're just
Drivin' me crazy

Save it up, baby love
Don't hold back your lovin'
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy

Save it up, save it up
Shooby doobie you my baby
'Cause you know you're just
Drivin' me crazy
