Now I never thought
That I'd be losing sleep at night over you
Now I don't know what to do

I promised myself
That I would not cry over you
Now I feel it all inside

Thoughts of you
Keep driving me crazy
And if I don't sleep
Then it won't even faze me

Some people call it love
I call it sprung on you

Here we go, here we go
I'm coming again
You got me messed up, baby
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up, baby
I'm sprung on it

I thought it would be easy
To get over you
Now I see that it's not in me

I think I'm going crazy
Going out of my mind trying to find
Someone to take your place

Thoughts of you
Keep driving me crazy
And if I don't sleep
Then it won't even faze me

Some people call it love
I call it sprung on you

Here we go, here we go
I'm coming again
You got me messed up, baby
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up, baby
I'm sprung on it

When I'm all alone
There ain't nothing I can do
All I do is think of you
Ain't about to take my mind off you

You got me going 'round and 'round
My whole world's upside down
Let me love you, baby
Let me love you

Here we go, here we go

Here we go, here we go
I'm coming again
You got me messed up
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up
I'm sprung on it

Here we go, here we go
I'm coming again
You got me messed up
I'm sprung on it
