Verse I:

How do you keep not from fallin...
Fallin in love..
With a girl that can do u
The way you like to be done.....

You blow..my Mind
With the things you do to me
Girlie..i can't resist ..
Your luscious lips..caressing my body....

chorus:

Takin my time
with you girl
Never know when
Will do this
again.

Takin my time
with you girl
Touchin your love
stroking you from within...

Verse II:

I hear your voice calling..(please pick up the phone)
But, I ain't gonna answer..
I've got too many women..
So, i'm tellin u
Do not fall in love with me...

Vamp:

Time is right
you close to me
I need your love

indefinetly..

They say good things come
to those who wait
I need your love
so desparatley..
