A thousand words for why I loved you
Girl, I could go on all night telling you why it'll be true
Let's stretch out on my leather couch under our
eighteen by twenty-two
I cannot try to explain it baby how can say it to you

Girl you're the rest of my life and all
And you come whenever I call
Girl I just wanna say it
I thank you from the bottom of my heart

That's why baby, what u r 2 me no one else can be
Ooh, and I think I'm in love baby
Ooh ooh, baby just can't stop this feeling from taking
over and over
And I know I can't stop it girl, you're mine you're mine,
yeah

I can understand why you want your space
Give it all some time to let it soak into your mind, well
Searching all my life for a woman like you
I'm gonna do exactly what my precious heart tells me
to

Oh girl, you're the rest of my life and all
And you come whenever I call, girl
And baby I just wanna say it
I thank you from the bottom of my heart

Ooh, ooh, baby, what u r 2 me no one else can be, yeah
Ooh, and I think I'm in love baby
Ooh ooh, baby just can't stop this feeling from taking
over and over
And I know I can't stop it girl, you're mine

I know that you've been hurt before by men who swear
it all baby
But I just wanna say, wanna take it day by day
Wanna pick you up whenever you
Pick you up whenever you fall, yeah

Ooh, ooh, baby, what u r 2 me no one else can be

Ooh, and I think I'm in love baby
Ooh ooh, baby just can't stop this feeling from taking
over and over
And I know I can't stop it girl, you're mine

Ooh, baby, what u r 2 me no one else can be baby
Ooh, and I think I'm in love baby
Ooh ooh, baby just can't stop this feeling from taking
over and over
And I know I can't stop it girl, you're mine

Ooh, ooh, baby, what u r 2 me no one else can be
Ooh, and I think I'm in love baby
Ooh ooh, baby just can't stop this feeling from taking
over and over
And I know I can't stop it girl, you're mine
