Atmospheric electric ? the hurricane is near  
We carry on our soil ? to get you all my dear  
Heading straight on forward ? but never out of sight  
An egotrip rebellion ? heavy armed delight

Hallowed or just hollow ? imprisoned be the will  
Maximize the coin machine ? mass media overkill  
Generation zero ? sing for the deaf  
Ubiquitous mindlock ? always looking for the thrill

Feeding oil to the flames ? the quest has just begun  
Faster, harder, more and more ? implicit faith will make  
you stun  
Our trademark, Mr, Misbehaviour ? we don't care  
what's right or wrong  
Lack of common sense ? now sanity is gone  
Sanity is gone ? sowing the wind to harvest the storm  
Without any regrets ? without any respect  
More firepower ? on all fronts

We take on everyone ? we reconcile with everyone  
Sowing the wind to harvest the storm ? more firepower  
on all fronts  
Manmade mirage ? turning the words  
Pull down the trigger ? without any regrets

It's feeding time for the beasts of prey  
Serving them their favourite meal  
Reload your weapon systems ? onwards without signs  
of fatigue  
In need of mental values ? we're here to gain control  
Heading straight on forwards ? we erase your thoughts  
With methods oh so dirty ? when all sex is sold  
When all the sex is sold

Feeding oil to the flames ? the quest is on the run  
Without any regrets ? without any respect ? this what  
we have to do  
Come on, follow us ? we know we are right ? without  
any regrets ? we entertain tonight

We entertain tonight
