Let me tell you a story, baby you don't know,
I'm gonna get you, just a long way to go.
But it's alright, I've made up my mind,
It's just a matter of time,
I'm gonna make you mine,
All mine, oh.

(CHORUS)

Every day of my life,
I'm gonna stay with ya baby.
Every night in my dreams,
Every move that I make,
Every day of my life.

Gonna build you a fire, and take you by the hand.
You may not be ready, you may not understand.
But that's alright,
It's just a matter of time,
I'm gonna make you mine,
All mine, oh.

(REPEAT CHORUS)

Every day of my life,
I'm gonna stay with ya baby.
Every night in my dreams,
Every day of my life.

I'm a man, look at my face,
I'm taking a stand, stating my case.
Drawing a line, making my claim.
You're gonna be mine, all mine, oh,
Every day of my life,
Every night in my dreams.
Gonna make you sweat,
Gonna make you scream.
Gonna take you there baby,
You know what I mean.
Gonna do it slow,
Gonna take my time,
You're gonna be mine all mine.

(REPEAT CHORUS & FADE)
