I lie awake deep in the night,
Ooh thinking 'bout you always.
But time can paralyse,
I've been lonely too long.

(CHORUS)

I'm changing my life, looking for a reason to love.
Girl, take a look and maybe you'll find,
That the answer to your heart is in mine.

Oh girl, you are the one, that's holding the fire.
Oh these feeling burning inside,
When I see the same in your eyes.

(REPEAT CHORUS)

Woa, looking for the words to say, I'm lost in your
world.
Now I wanna live for my dream baby.
Oh we can't turn away from the feeling inside,
When I see the same in your eyes.

(REPEAT CHORUS)

The answer to your heart is in mine

(REPEAT CHORUS)
