I stare at these 4 walls  
As I lie all alone in bed  
With thoughts of U in my head  
Now what I see are these reflections of my dreams  
The sweetest of memories  
Each night keep haunting me

Tell me what to do  
Release me from this hell  
I've gotta feel U  
In my arms again

I'm givin' U my love, gonna give U my soul  
U're gonna get the very best of me  
To have & to hold  
I'm givin' U my love, cause U are my world  
I'm givin' U the very best from me  
From now til eternity

These raindrops on my pillow  
Are the tears of my loneliness  
Of the day that U run away from me  
Your whispers in the still of the night  
They rapture my brokren heart  
Keep tearin' me apart

Tell me I'm a fool  
For loosin', I'll go away  
I can't be freed by U  
Right here, right now, I will stay

I'm givin' U my love, gonna give U my soul  
U're gonna get the very best of me  
To have & to hold  
I'm givin' U my love, cause U are my world  
I'm givin' U the very best from me  
From now til eternity

Tell me what to do  
Release me from this hell  
I can't be freed by U

Right here, right now, I will stay

I'm givin' U my love, gonna give U my soul  
U're gonna get the very best of me  
To have & to hold  
I'm givin' U my love, cause U are my world  
I'm givin' U the very best from me  
From now til eternity
