(Shelly Peiken/Guy Roche)

I wanna thank you for giving me time to breathe  
Like a rock, you waited so patiently  
While I got it together, while I figured out  
I only looked but I never touched  
Cause in my heart, was a picture of us  
Holding hands, making plans  
And it's lucky for me, you understand

What a girl needs, what a girl wants  
Whatever makes you happy makes me strong  
And I'm thanking you for giving it to me  
What a girl need, what a girl wants  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me

A weaker man might have walked away but you had  
faith  
Strong enough to move over and give me space  
While I got it together, while I figured it out  
They say if you love someone, let it go  
If it comes back it's yours, that's how you know  
It's for keeps, yeah, it's for sure  
And you're ready and willing to give me more than

What a girl needs, what a girl wants  
Whatever makes you happy makes me strong  
And I'm thanking you for giving it to me  
What a girl need, what a girl wants  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me

A girl needs somebody sensitive but tough  
Somebody there when the going gets rough  
Every night he'll be keepin' it up for just one woman  
Somebody cool but tender too, somebody baby, just  
like you  
Keep me hanging around with the one who always  
knew

What a girl needs, what a girl wants  
Whatever makes you happy makes me strong  
And I'm thanking you for giving it to me  
What a girl need, what a girl wants  
Whatever keeps me in your arms  
And I'm thanking you for giving it to me.
