There's nothi'n I wont try  
Just to make you mine,  
To get a little closer  
Would be so divine.

And everytime I see you  
You make come undone,  
I always watch you near me  
And you have found the one.

Chorus:  
Oh why don't you smile my only star  
Shine on baby  
Smile my only star  
Smile my only star (2x)

Oh, with you by my side  
I'm gonna feel so right,  
And now that im close to you  
Oh I could stay all night.

No matter where I go,  
No matter what i do,  
In the end your smile  
Takes me back to you.

(repeat chorus)

Refrain:

You shine so true,  
I can't believe you're mine  
And everything may change  
But to me you'll always shine
