I Beilive

I Believe

Have you ever you ever reached a  
Rainbow's end

And did you find your pot of gold  
Ever catch a shooting star

Tell me how high did you soar  
Ever felt like you were dreaming  
Just to find that you're awake

Cause the magic that surrounds you  
Will lift you up and guide you on your  
Way

I can see it in the stars across the sky  
Dreamt a hundred thousand dreams  
Before

Now I finally realize  
See I've waited all my life for this  
Moment to arrive  
And finally yeah

I believe in the impossible  
If I reach deep within my heart  
Overcome any obstacle  
Won't let this dream fall apart  
See I strive to be the very best  
Shine my light for all to see  
Cause anything is possible  
When you believe yeah

I can see it in the stars up in the sky  
Dreamt a hundred thousand dreams  
Before

Now I finally realize  
I've waited all my life for this moment to  
Arrive

And finally I believe  
Yes I believe

Ohh Yeah

Love keeps liftin me higher  
Liftin me higher  
Love keeps liftin me higher  
I said love keeps liften

Love keeps liften me  
I said Love
