I summoned up the living dead

And the demons in the skies

I drank from chalice warm and red

And watched the virgined eye

Present at ungodly

births

In holy paradise

I spread eternal dark on earth

And raped the mother of christ

C'mon baby

Raise your knife

Welcome darling

To my sacrifice

Tie the angel to the altar

Sacrifice to lord in hell

Let the warm blood torren

t baby

Moonlight set the night on spell

I saw the lightning strike in the sky

And heard your roar in pain

I'd lifted the knife and stroke once more

Your blood was mixed with rain

(Repeat chorus)
