Listen my nation
My sweet congregation
Look me right in the eye
Begging yet patient
Wise but complacent
Watch as our mothers die

Yeah
We've come to the end
We've come to the-

All of our quarrels we'll solve tomorrow
Today we'll just waste our time
Look at us people
We're fertile yet fetal
Divide as we multiply

Yeah
We've come to the end
Yeah
We've come to the end
We've come to the-

You can't always count on another day
You fall to the ground and blow away

Yeah
We've come to the end
Yeah
We've come to the end
We've come to the
