This instant regression
This instant stuperfaction
Why don't you learn your lesson
You burning intuition
Is only a fraction
Of what it could be now
Of what it should be
Without this blasphemy

Why can't you see me
Acknowledge me

As you bust yourself on
Rocks from the cliffs above
I step back and watch you
Become my bleeding dove
I mend you
Repair you
And one day set you free
So perhaps one day you
Will fall back into me

Why can't you see me
Acknowledge me

You cannot tell me once again
Why must you kill your closest friend

I hold my breath to watch you
Enjoy yourslef Destroy yourself
Employ yourself into
Transparency

Why can't you see me
Acknowledge me

You cannot tell me once again
Why must you kill your closest friend
You cannot tell me once again no not again
Why must you kill you closest friend

Why can't you see me
Transparency
Why cant' you see me
Transparency
Why can't you see me
Transparency
Why can't you see me
