Here's the tempo, dude
Geoff play it
Yeah
Oooh, yeah
I've been jailed
And my phone's been bugged
But I'm still winning the war on drugs
Oh yeah, oh yeah
Oh yeah, oh yeah

Now in my backyard I've got a stock of suhimas
Like my cocaine with tequila
Oh yeah, oh yeah
Oh yeah, oh yeah

Now ATF, and that DEA
They busted down my door,
But I was out of town that day
Oh yeah (uh huh), oh yeah
Oh yeah, (who), oh yeah

Now I only smoke the cronic
No I never smoke for stress
I get high with the help of Federal Express
Oh yeah, oh yeah
Everybody, oh yeah, oh yeah

Cause I've been jailed and my phone's been bugged
But I'm still winning the war on drugs
That's right...
