Another cold night in the city  
Hole in my shoe  
What a pity  
Pawnshop ticket full of dreams  
Late night hour  
Full of schemes  
Traffic light stuck on red  
Tears of an angel  
On my head

But I'll get my feet back on the ground  
Nobody gonna get me down  
So I'm a street corner musician  
Another dollar for my pocket full o' dreams

Four walls, one light, no bed  
I'm not pretentious  
Ain't goin' to my head  
Don't wanna stand out in the rain  
I gotta eat officer  
That's the name of the game

But - I'll get my feet back on the ground  
Nobody gonna get me down  
So I'm a street corner musician  
Another dollar for my pocket full o' dreams

Someday people will see  
What the  
Destiny  
Is for me  
I'll remember all of the kind ones  
And for the rest  
Give you a piece of my mind 'cause

I'll get my feet back on the ground  
Nobody gonna get me down  
So? hear me  
Another dollar  
Another dollar
