Six o'clock in the morning and I woke up by myself  
But I don't want to  
I don't want  
Drove my Mustang over here to tell you how I feel  
But I don't want to  
I don't want

Even though we're friends  
And I love when you're around  
I think that in the end  
It's best I tell you now

I'm in love with someone else  
Can't leave you on a shelf  
!  
Don't know  
Why!  
I do this to myself  
Maybe someday I could be  
The friend you need from me  
Nothing is easy

Wavin' in my rearview mirror - lookin' like you're lost  
And I don't want to  
No I don't want  
I've - made my decision - no matter what the cost  
But I don't want to  
No I don't want

Tellin' you goodbye  
Makes me wanna cry  
Just lay down and die  
'Cause you're the reason why  
I found happiness  
So I must confess

I'm in love with someone else  
Can't leave you on a shelf  
!  
Don't know  
Why!  
I do this to myself

If there's something I could do  
To make this up to you  
!  
Don't know  
Why!  
You said I love you, too  
My  
Life  
Is  
Complicated

One in the  
Middle of  
Two in - love is  
One  
Too  
Many worlds

So, I - think - I - should - get - a - way - and  
Wonder - why you  
Both would try to  
Tell me 'I do'
