You run for cover  
Stick your head in the sand  
You deny you're wrong  
Say you don't understand  
The ways and means  
Don't mean a thing with no green  
And your, body of work  
Ain't nobody to be seen  
The only choice to make is  
Paper or plastic  
So ya, do something drastic  
And ya make it fantastic  
You keep on fishin' for  
A way to succeed  
It's the, only way  
For the big dogs to eat

Just ride the wave  
Everybody rave  
Don't be a slave  
To the things you crave

Temptation make you  
Want the things you don't need  
Buy them, boogie shoes  
And spend to  
Feed the greed  
You spin the wheel  
And play the numbers you feel  
Bet them double zeroes  
And you'll, be a hero

Just ride the wave  
Everybody rave  
Don't be a slave  
To the things that you crave

Feeble  
Evil  
Boring  
People  
Sneaky

Freaky  
Lonely  
Schemers  
Fowling  
Scowling  
Bottom  
Feeders  
Musing  
Amusing  
In  
Betweeners

Just ride the wave  
Everybody rave  
Don't be a slave  
To the things you crave
