I know this girl named Anna
And she's a beauty queen
But the guys on the street corner
Say she's only seventeen
Everybody love her
But they don't love her for free
They use her for a play thing
Oh what a tragedy

They tell her-
Rock us Anna
Rock us Anna
Rock us Anna
Rock us Anna

Hotels are her prison cell
Never the same jail twice
She knows her life's atrocious
But the money is her vice
She know one day she gonna leave
She got her suitcase in her hand
She's off to California
To be another schizophrenic
In la la la la land

So-
Rock us Anna
Rock us Anna
Rock us Anna
Rock us Anna

Well she ain't got to la la land
She work in the same bar
She burnt up her calendar
'Cause she don't wanna think ahead that far

Rock us Anna
