Imagine.

If there were no no expectations. If there was no no confidence.

If there were no no convictions. If there was no no disappointment.

Why can't you see what I see, this is reality.

Imagine.

If there were no no excuses. If there was no no compassion.

If there was no no forgiveness. If there was no no guiltiness.

Why can't you see what I see, this is reality.

I see the necessity of all these values,
But we have to use them in the right way.
I know it's hard to hold on to these ideals,
But if I'm too weak, God will push me through.
Three nails gave me life.
