I wanted you to repossess me
All my life I want you to caress me
You said, 'feel the fear of flyin'
To feel the fear of dyin' to hide away from you

Chased by these oceans
Oh man I'm dyin'
I'm bendin' over backwards
In my own dreams I was lyin' in
By myself

[Chorus]
And now you're lyin' with me
Or you're lyin' against me
Against my own gut feelin's
Linin' up behind the sun

Was listenin' to those tree roots singin'
They're outta tune but they're in sync with me
I fear not much time to make sense of nothingness
When nothingness comes flyin' in over your head

God made by devotion
Oh man he's cryin'
He's bendin' over backwards
In my own dreams I was lyin' in
By myself

But now you're lyin' with me
Or you're lyin' against me
Against my own gut feelin's
Linin' up behind the sun

Oh lord, we're linin' up behind the sun
Oh lord, we're linin' up behind

[Brief Instrumental]

Where a new day starts
Let this new day start, oh!

[Instrumental]

You're safe with me
You're safe with me
You're safe with me
You're safe with me

You're safe with me
You're safe with me
You're safe with me, yeah
You're safe with
You're safe with me'

Ho' ha' oh' ah'
